The scores on the cards have been allocated by the editorial team of Panini UK. These scores are based on a rigorous analysis of the defensive, midfield and attacking characteristics of each Premier League player. These values have also been adapted to the special characteristics of the Premier League Adrenalyn XL™ PLUS 2024 trading cards. In no case should these scores be taken as a definitive judgement on the real abilities of the different players on the pitch. The final cut-off date for compiling and selecting players for this collection was 15 December 2023. All photographic imagery © Getty Images © The Football Association Premier League 2024
